Mutual Recognition Requests

FREC Counsel Tom Barnhart presented a rough draft of the agreement received from Pennsylvania for discussion. Mr. Barnhart then recommended the drafting of a basic agreement, which could then be tailored to each individual state’s request, based upon the Commissions wishes. Director Murphy stated that he believes this to be a sound approach and would recommend a basic agreement be presented to the Commission for review and comments and upon final FREC approval would have the Office of General Counsel review for a final evaluation to ensure they are comfortable with the proposed basic agreement. Mr. Barnhart and DRE staff addressed additional questions from the Commission.

Commissioner Beals suggested using Alabama and Arkansas as a sample of the standard agreement. Mr. Murphy stated that for future requests the standard agreement could be attached to the questionnaires along with any other information usually provided to the requestor. Chairman Hogan stated that it is the consensus of the Commission to create one standardized mutual agreement. Mr. Murphy stated that because it is an operational issue, he will take on the responsibility of drafting a proposal and after conferring with FREC Counsel, will present it to the Commission at a future meeting. The Commissioners tabled this topic to a future meeting.
Discussion of Rule Amendments Pursuant to JAPC Objections

Rule 61J2-3.010 – License Reactivation Education for Brokers and Sales Associates

The Commissioners were advised that the Governor recently signed the statutory change. The Commission took no action and tabled this topic for a future meeting.

Rule 61J2-5.014 – Registration of Corporation

Mr. Barnhart advised the Commission that the JAPC identified substantive errors which need to be addressed. Mr. Barnhart and DRE staff addressed the questions and comments from the Commission.

To address the first issue, Mr. Barnhart recommended deleting the first two sentences of the rule. Commissioner Hornsleth moved to delete first two sentences of the rule. Commissioner Varnado seconded the motion. The motion carried unanimously.

To address the second issue, Mr. Barnhart recommended removing “directly and indirectly” and changing “40 percent” to “50 percent”. Commissioner Hornsleth moved to approve the recommended changes. Commissioner Varnado seconded the motion. The motion carried unanimously.

The Commission addressed the last issue relating to corporations not operating as a real estate broker until they have received written notification from the Department that the corporation has been properly registered. JAPC requested the statutory authority for this rule provision and inquired what forms are used to submit the registration as there is no reference in the rule. Mr. Murphy requested that this issue be tabled to a future meeting to allow him to discuss this with department counsel. Mr. Barnhart stated that he would prefer to respond to JAPC when all the issues have been resolved. The Commission agreed to table this issue to August.
