To ensure the enhancements relating to brokerage management are the most relevant, a job-task survey analysis of licensed real estate professional will be conducted.

Several representatives of FAR including Dean Asher, Secretary, Trey Goldman, Legislative Counsel and Dick Fryer, member, all spoke in favor the practicum examination. Mr. Asher offered their assistance to move forward with this proposal to help the industry as a whole. Mr. Goldman stated that they would be happy to share the Commission's comments with FAR. Mr. Fryer provided additional comments as to the things that should be included in the practicum examination.
